CORRESPONDENT SERVICES – FUNDS TRANSFERS – Page 2

For purposes of this Designation, the following definitions shall apply:

“Access to Information” means the authority to access all information relevant to Member use of the Bank’s services, including reports and transaction information.

“Issue Instructions” means the authority to instruct the Bank with regard to Member’s use of the noted services.

“Approve Instructions” means the authority to approve or authenticate instructions with regard to Member’s use of noted services.

“Daily Limit” means the **TOTAL dollar value** of wires that you designate per person **per day**. The Daily Limit is more restrictive than a per transaction limit as it prevents individuals from wiring out a number of smaller transactions for the purpose of sending out a higher dollar amount that may otherwise not be allowed using a limit per transaction.

All other terms shall be defined as indicated on the Correspondent Services Agreement in effect between the Bank and Member, to the extent defined therein.

This Designation shall apply to the conduct of any of the activities described herein whether via the Bank’s Internet Portal Services or any other means permitted by the Bank, including, without limitation, in writing or via facsimile, telephone or wire.

This Designation can be revoked or amended only through the valid execution of a replacement Designation submitted by Member and accepted by the Bank. The submission and acceptance of a replacement Designation shall result in a total revocation of this Designation.

An executed counterpart of this Designation delivered by the Member to the Bank by electronic transmission, whether fax, email or otherwise, shall be as effective as a manually executed original for all purposes whatsoever.
